Ms. Amy B. Thomas
Counsel for the City of Harker Heights

Dear Mr. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 914804.

The City of Harker Heights (the "city"), which you represent, received a request for information pertaining to a specified animal. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information. We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.1177(a) of the Government Code relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Id. § 552.1177(a). Upon review, we find the city has failed to establish section 552.1177 is applicable to the submitted information. Therefore, the city may not withhold any of it on that ground.

Section 552.137 of the Government Code excepts from disclosure “an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body” unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c).¹ *See* Gov’t Code § 552.137(a)-(c). The submitted information contains an e-mail address of the public that does not appear to be of a type specifically excluded by section 552.137(c), and the city does not inform us a member of the public has affirmatively consented to its release. Therefore, the city must withhold the submitted e-mail address of a member of the public under section 552.137 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
